

The Aaryan Global School Annual Report (2020-21)

TAGS have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We strive for excellence in each and every endeavour so as to achieve transcendence. The school focuses on providing an authentic learning environment where students apply knowledge and skills from multiple disciplines to widen their knowledge. This academic year began in an Online mode through Zoom app where teaching learning was conducted successfully by our teachers.

Due to COVID-19 student education has been impacted. Various steps were taken to provide an effective education in these challenging time like ZOOM classes, online sending of work , coordination with students and parents. Online classes were conducted for Grades Nursery to X. Both students and teachers adjusted themselves to the new ways of learning and teaching.

ACHIEVEMENTS:

FIRST BOARD APPEARANCE

Our students of Grade X appeared for their board exam. It was the first batch of school to appear for the board exam.

ACADEMICS

Achieving academic excellence is at the heart of our endeavour as educators. Academics encourage and foster a healthy and competitive spirit.

We follow the CBSE dictum as under:-

1. Connecting knowledge to life outside the school.
2. Ensuring that learning shifts away from rote methods.
3. Enriching the curriculum to provide for overall development of children rather than remain text books.
4. Making examinations more flexible and integrated into classroom life.
5. Nurturing an over-riding identity informed by caring concerns within the democratic polity of the country.

CO-SCHOLASTIC

Celebrations and special assemblies are an integral part of the TAGS. We believe in the overall development of a child. Stage Exposure is given to each and every child. In School's functions, special assemblies, class assemblies all the students are given chance to perform upon stage and overcome their stage fear.

REASONING TESTS,NTSE,OLYMPIADS

Competitions motivate the students to excel and participation unmasks their personal aptitude. They provide opportunities to the students to showcase their skills, analyze and evaluate any issue with intelligence.

Reasoning Tests , olympiads were held to judge the students power of reasoning, ability to think and judge, evaluate or discriminate and the ability to visualize in the space. Students also participated in MUN.

SCHOOL HOUSES

“Where there is unity , there is always victory.”

The students of the school are divided into four different houses, **Dograi Haldighati, Kargil and Saragarhi**. Each House is managed by Teachers and Students as a House Captain, House Vice-Captain and House Prefects. The House on duty performs its duty of conducting the day-to-day activities, competitions in systematic and disciplined manner. Kargil Vijay Diwas was observed virtually in which Poster making and Calligraphy competitions were held.

SCHOOL CLUBS

“The purpose of clubs is to engage students wherein they have interest.”

Various Co-Curricular Activities are held under different Clubs to develop a child physically, morally, socially and mentally and to hone skills in co-scholastic areas. Regular Club Activities are held in which the students participate and display their caliber.

The different Clubs are **Symphony Club, Dance Club, Environment Club, Art and Craft Club, Literary Club, Gardening Club, Yummy Tummy Club, IT Club, Health Club, Fun with Science club, Ramanujan Club**.

Class Excursions and Outbound Programmes:

TAGS organizes educational tours to various places to enrich the students and to implement learning beyond the walls of the classroom. Trips had to be skipped following the COVID-19 guidelines this year, but school conducted a virtual visit to places of Cultural Heritage . A night camp was also organized for the students of Grade IX and X to help them reinforce independence and empowerment. Various field Trips were organized to help students to be social, communicative and confident. Students were taken out for field trips in the nearby village.

STUDENTS’ SEMINARS & WORKSHOPS

“Great workshops inspire students to believe in what is possible.”

To ensure that our students are well equipped with knowledge to face any challenge, we have focused sessions on special topics including Disaster Management, Art Workshop, theatre workshop, Robotics Workshop, anti bullying, Health and Hygiene for Girls, Career Counseling, Leadership Skills, Career Scope in Humanities etc. Guest Lectures were also conducted where teachers from other reputed schools interacted with our students and shared their knowledge and experience.

TEACHERS INSERVICE TRAINING , WORKSHOPS AND WEBINARS

***“Live as if you were to die tomorrow,
Learn as if you were to live forever.”***

In keeping with the school’s policy of continuous upgradation of knowledge and skills, our teachers attended various workshops and seminars organized by the school and others so as to improve their academic transaction skills and to update their capabilities. Prior to the commencement of the academic session, training programs were organized for enhancing “Creative Teaching, Motivation and Communication Skills” for our esteemed teachers.

- Upholding Ethics and Integrity
- Quality and excellence in school education
- Programme on Value Education
- Multiple Intelligence
- Classroom Management
- Effective Teaching Skills
- Gender discrimination
- webinar engineering career forecast post covid era

Health check-ups

Tags keep doing health check up of its students to assess normal development of the child, to keep track of immunization schedule, early detection of disease / abnormalities, which when treated in time, allows the child to lead a normal life. The ‘School Health Check-up’ program undertakes detailed health check-ups, by qualified experts, of school children.

- Dental Check-up
- Measles and Rubella Immunization
- Height and Weight
- Deworming Tablets

CONCLUSION

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year. Though students were engaged in various co-curricular and life skill activities , still top priority is given to academic excellence.
